# Mementos of the Day

Sunday  
Jan 16 1977

Well here it is the day after my  
our 50<sup>th</sup> Anniversary Party last night  
Sat Jan 15<sup>th</sup> at the ~~DIAV~~ Hall. What a  
party I will never forget it as long as I  
live. There were 84 people there Family  
and friends. My four children James Seery  
Genesive Bernard Alice Marie and  
Myrtle Dorman planned this for 2 years  
What a party. Mrs Pechingham and her  
husband catered it and everything was  
beautiful. She made a 3 tiered wedding  
cake. It was beautiful. We had a very  
nice orchestra. Good music. The orchestra  
played the Anniversary Waltz. Mike  
and I danced to it. All my friends  
were there. My Dearest friend Marge Montz  
was there among others. My dear friend  
Cile and Charlie Haggerty. Too many  
to list them all but they all signed

their names. I felt too dressed up. My  
hair piled up on my head. But did I  
have a good time. Sure felt like Madame  
Queen last night. Mike was very  
happy with it all. We sure are blessed  
the good Lord is on our side to let us  
make 50 yrs which will be tomorrow  
at about 11 a.m. We were married  
in St. Lawrence Church. It was cold  
that day too and after that we left  
for Canada. We had a nice reception  
at my mother's home. Real nice and  
nice food home cooked. My good friends  
Mr + Mrs Heery brought us an unusual  
gift. A treasure chest with 25 silver  
dollars in wrapped in gold paper each  
one. I shall keep it always. Received  
numerous cards all totald with money  
\$765. I'm still in school. I've lived  
76 yrs. Never do I remember anything like  
last night. All my grandchildren were  
there my niece and nephews. All had  
a good time. My Gen sure had a  
swell time. Danced her head off  
with my famu, Artu, and many

others I danced quite a bit but not too fast one. Peggy and her family were there. I thought of Neal and wished she were there. Buddy was home from Hawaii to add to the good time. He looks swell. Good boy. We have 14 grandchildren and they are grand my house. Kellie Dorman was there. I love her. I love them all but she's a baby. My brothers and sisters were there and their children. Buddy and Theresa Raffile were there and gave us a lovely gold picture frame with an insert for a picture. Had a picture taken with our four children taken which will go in the insert. The party was over at 1 a.m. They cleaned up. We got home at 2 o'clock. Was tired but worth it. Myrt and children were here this morning. I talked to my Peggy and Mrs Budds

Mr + Mrs Budd could not come. He  
does not drive at night. Sent a nice  
card with money in it. Sure have a  
lot of good friends. You can never  
buy friends. Myrtle brought a layer  
of our wedding cake here this  
morning. It was beautiful. Yesterday  
was Mary Collins my niece's birthday  
42 or 43 I forget. I asked the orchestra  
to play happy birthday to her which  
they did. She was surprised. Got a  
nice anniversary card from my sister  
Girlee and her husband. She wrote  
she was making me something which  
I suspect is an afghan. Hope to be  
in Florida soon to thank her in person  
and tell her about this gorgeous  
Party last night. I'll remember it all  
my life but must write all this  
down so my memory won't fail  
me too much. Had a good dance  
with brother John last night.  
The weather was bad. Snow and ice  
on the ground. Had to watch our step
